

MPS|CPA, a 50 member public accounting firm based in Orland Park, is in search of a Senior Auditor.

The position includes responsibility for the full scope of audit and accounting engagements from planning through completion; willingness to play a lead role in larger team projects or assist others when needed. The ideal candidate is organized; exudes professionalism; possesses strong technical and interpersonal skills in working effectively with our clients and staff; and is effective at multi-tasking.

Requirements:

- Bachelor's degree in Accounting or Finance
- CPA or CPA in progress
- 3+ year recent experience in CPA firm
- Financial statements, audits of privately held companies, non-profits, employee benefit plans or local governments
- Staff supervisory and project leadership experience
- Strong working knowledge of GAAP
- Adept at technology applications; ability to introduce enhanced processes a plus
- Strong communication skills (verbal and written)
- Ability to manage multiple projects, deadlines and budgets
